Dear Valued Investors,

Thank you for your continued support and for the confidence that you have placed in us.

As we celebrate the successful public listing of our subsidiary investment holding company (Actcelerate International Group Ltd, www.actcelerategroup.com), it is equally important to welcome all of you into our "family". This is just the beginning for us. As a Group, we are dedicated to reinventing the investment landscape.

The investment climate is healthy while the economy in the Asia Pacific region is still strong and stable, and we have an investment strategy that will help to position us favourably well into the future.

We are proud of the Group and the brand that is strongly established, thanks to all your continued support. We welcome this opportunity to support a company in the fast-growing investing climate and your commitment to the future of the company is important.

As we continue to build a stronger partnership together, we fully recognize that your support and the continued trust that you place in us is the foundation of our success. You are at the centre of everything we do and we will work tirelessly towards ensuring that we meet and exceed your expectations in a fair and responsible way.

It is with great appreciation that we thank all of you for your continued support. We look forward to exciting growth together with you. We will continue to explore new and better ways to work together.

With Greatest Regards,

Dato' Sri Dr Sherwin Chew
